

Meet Your Chair

Hello! My name is Mario Castiel and I am your chair for NYUMUNC XV's ADHOC. I am a sophomore studying Global Liberal Studies with a concentration in Politics, Rights, and Development. I have been on the NYU Travel Team since last semester and have been very fortunate to be able to travel and compete against other excellent delegates from all over the world. I was chair for EMPIREMUNC's Allied Spies of World War Two debate and I am very excited to see what you delegates have in store for us!

Being from Puerto Rico, I love going to the beach to hang out with my friends or just to bask in the sun before going back to the New York City cold. I also love traveling, being able to interact with so many cultures through NYU's robust study abroad program has been a pivotal experience for me.

I believe that this topic is one of the most unique debate experiences I've seen in my 8 years of doing MUN. I'm incredibly honored to be chairing this committee and being able to see the creativity and passion you will bring to the front room.

Best Regards,

Mario Castiel, ADHOC Chair
